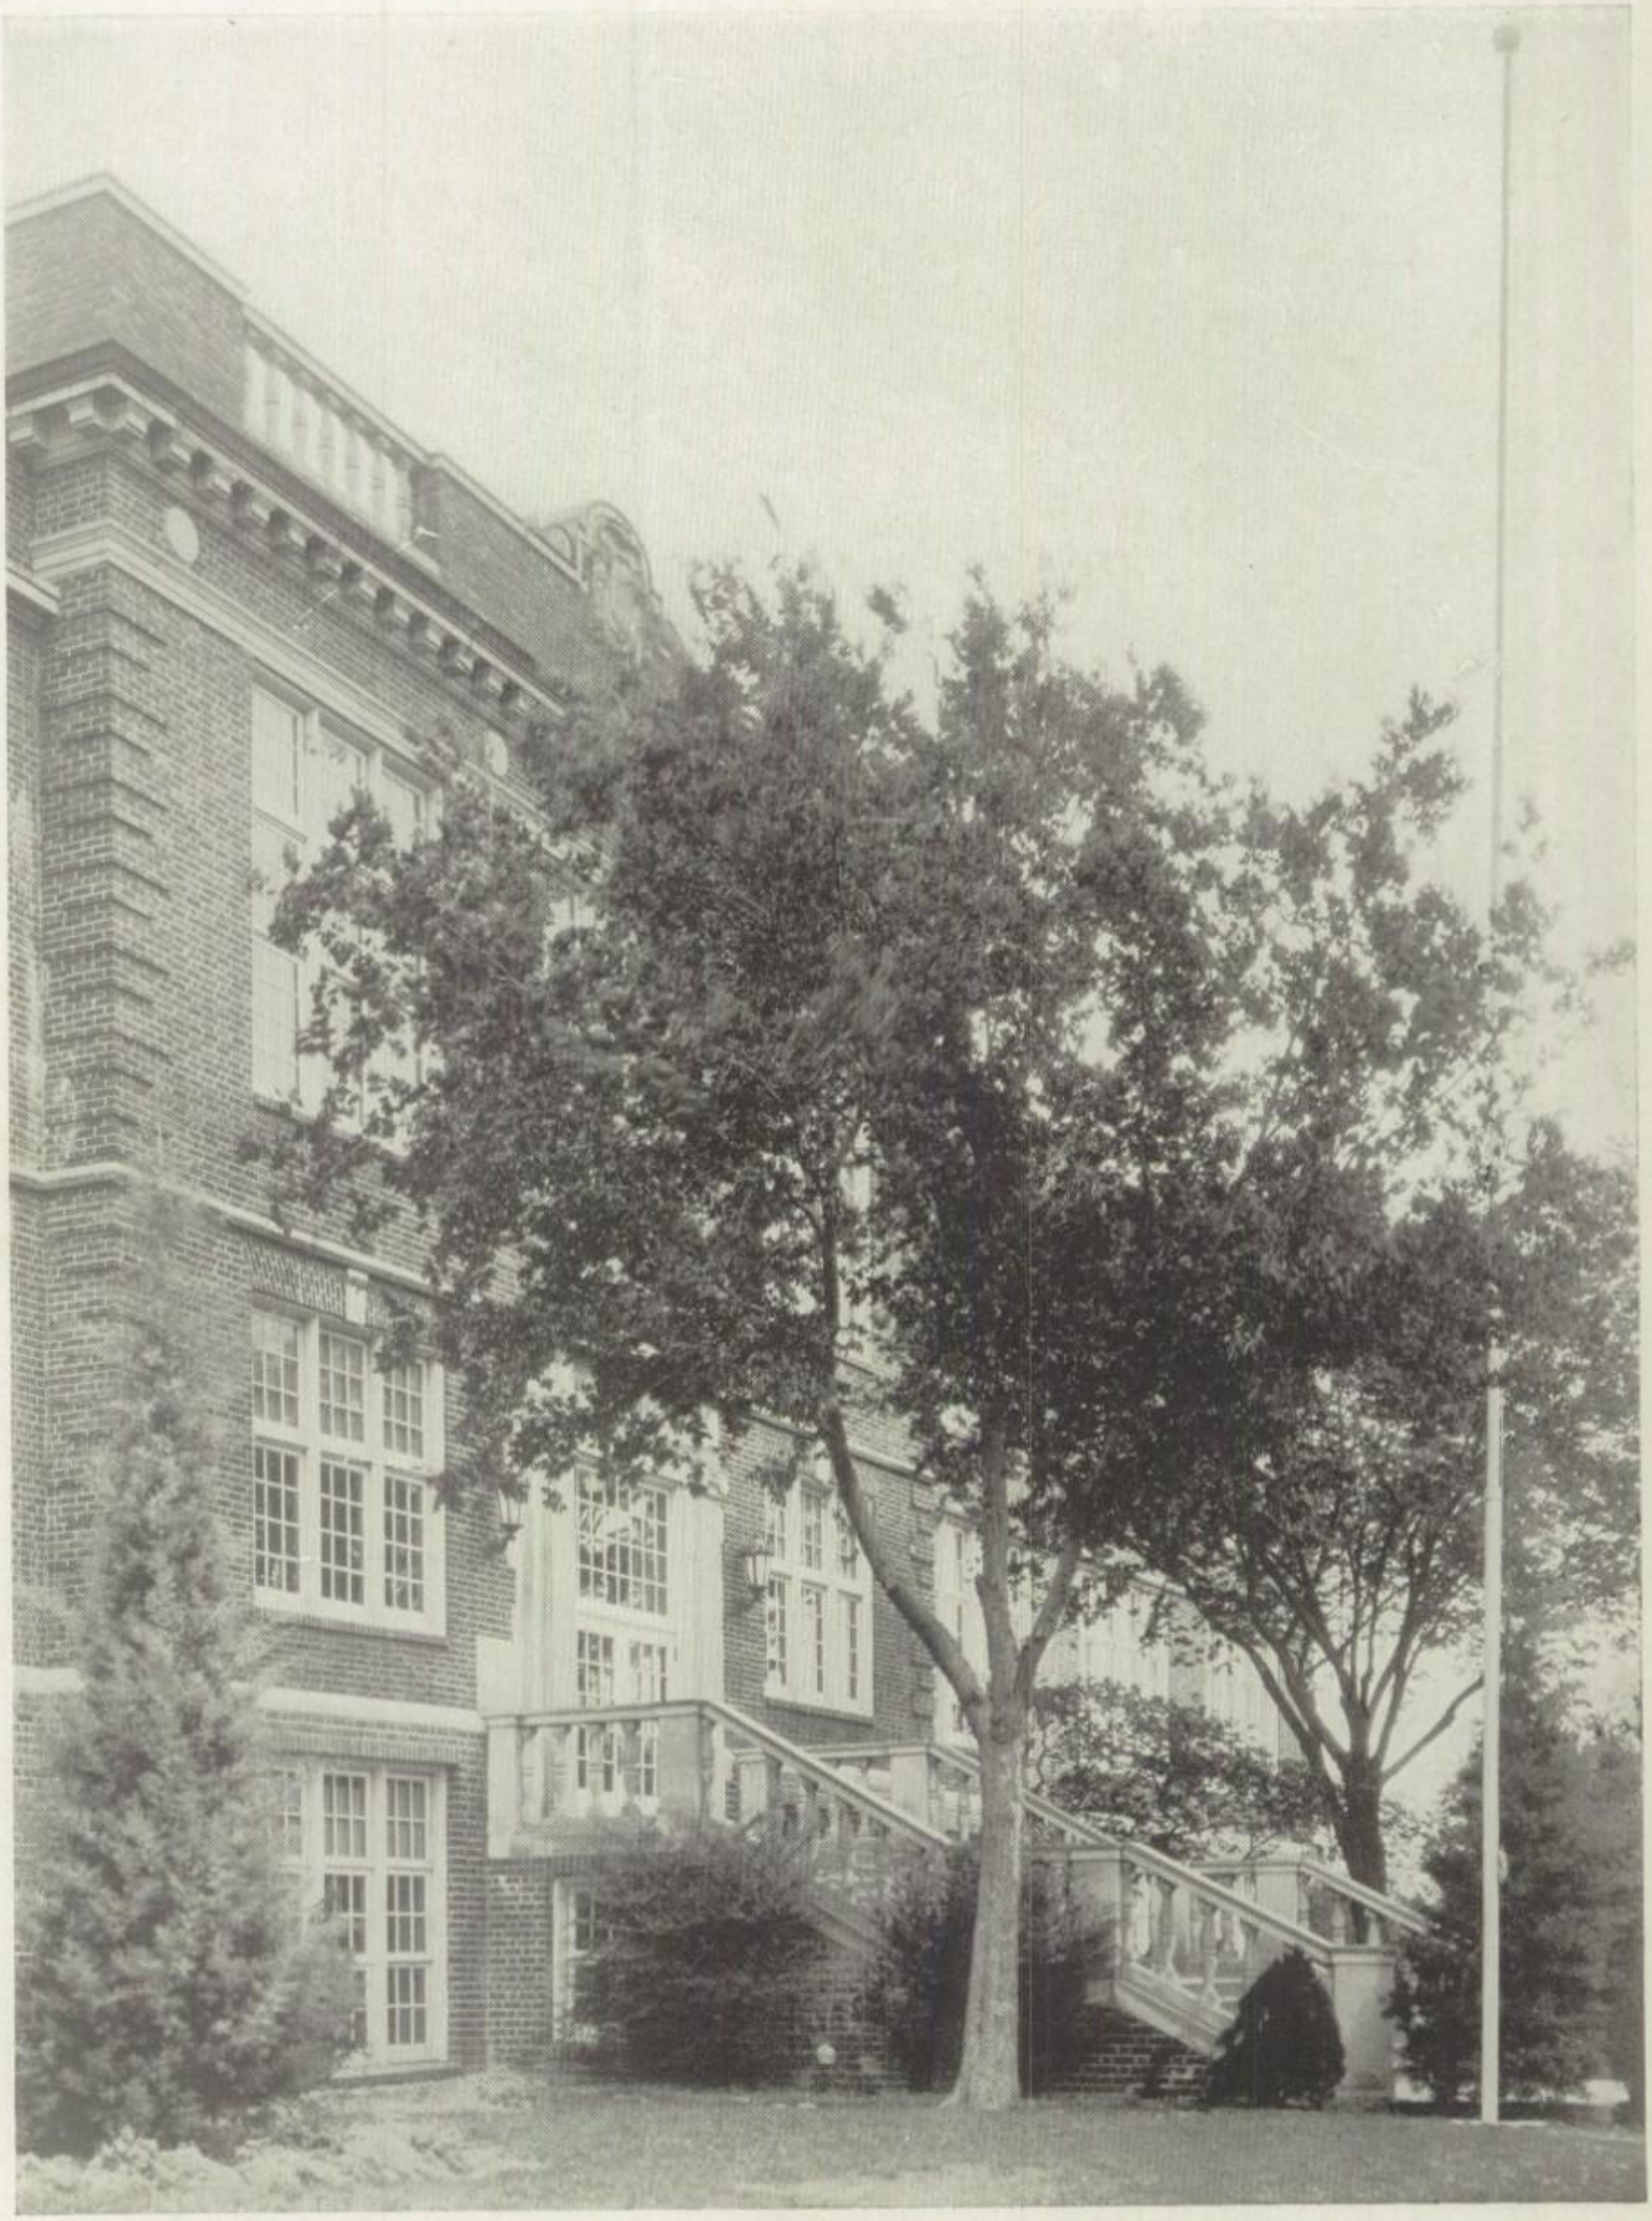
FOREWORD

"When to the sessions of sweet silent thought
I summon up remembrance of things past,
I sigh the lack of many a thing I sought
And with old woes new wail my dear time's waste:
Then I can drown an eye, unused to flow,
For friendly faces dim in memory's flight
And weep afresh love's long since cancell'd woe,
And moan the expense of many a vanished sight:
But if the while I think on thee, dear friend,
All losses are restored and sorrows end."

DEDICATION

To Miss Helen Aduddell,

whose splendid supervision and earnest co-operation has for many years been responsible for the success and popularity of the *Oak*, the Class of 1937, despite her many protests, dedicate this twenty-first volume.



TO OUR SCHOOL

"As fast as thou shalt wane, so fast thou growest
In one of thine, from that which thou departest;
And that fresh blood which youngly thou bestowest
Thou mayst call thine when thou from youth convertest.
Herein lives wisdom, beauty, and increase
Without this, folly, age, and cold decay:
If all were minded so, the time should cease
And three score year would make the world away.
Let those whom Nature hath not made for store
Harsh, featureless and rude, barrenly perish:
Look, whom she best endowed she gave the more;
Which bounteous gift thou shouldst in bounty cherish:
She carved thee for her seal, and meant thereby
Thou shouldst print more, not let that copy die."

RULES OF LIVING

Teach me to obey the rules of the game.

Teach me never to cry for the moon, never to cry over spilled milk.

Teach me to win if I can; if I cannot win, teach me to be a good loser.

Teach me to distinguish between sentiment and sentimentality, to esteem the first and to despise the second.

Teach me never to accept and never to offer false praise.

Finally, if I must suffer, may it be like a thoroughbred that goes away by himself in order to suffer in silence.

TO THE SENIORS

The outstanding challenge of today, to you Seniors who are about to assume your places in the economic, political, and social life of the nation, is for you to realize and fulfill your responsibilities as citizens. I trust that your days in Adamson High School will have laid well the foundation necessary for that unbiased, helpful, co-operative, loyal, and wholesome citizenship so necessary, in this era of unrest and revolt, for the perpetuation of this greatest of all democracies.

Howard A. Allen.

To HOWARD A. ALLEN

"Shall I ccmpare thee to a summer's day?
Thou art more lovely and more temperate:
Rough winds do shake the darling buds of May,
And summer's lease hath all too short a date.
Scmetimes too hot the eye of heaven shines,
And often is his gold complexion dimmed;
And every fair from fair sometimes declines,
By chance or nature's changing course untrimmed;
But thy eternal summer shall not fade
Nor lose possession of that fair thou owest;
Its beauty blooms in hearts more beauteous made
As in eternal lines to time thou growest:
So long as men can breathe or eyes can see,
So long lives this and this gives life to thee."

To THE FACULTY

"My tongue-tied muse in manners holds her still,
While comments of your praise, richly compiled,
Reserve their character with golden quill
And precious phrase by all the muses filed.
I think good thoughts whilst others write good words,
And like unlettered clerk still cry "Amen"
To every hymn that able spirit affords
In polished form of well-refined pen.
Hearing you praised, I say " 'Tis so, 'tis true,"
And to the most of praise add something more;
But that is in my thought, whose love to you,
Though words come hindmost, holds his rank before.
Then others for the breath of words respect,
Me for my dumb thoughts, speaking in effect."

It might have pleased the great Creator to make man independent of all other beings; but as dependence is one of the strongest bands of society, mankind was made dependent on each other for protection and security.

To be of service to the students, aid the faculty, and co-operate with the Parent-Teacher Association is the purpose of this Club.

The past year has been most satisfactory. The second annual athletic Round-up, the spring carnival, and other projects have been successfully completed and a vocational guidance program started. The year also saw the completion of the public address system, a major project sponsored by the club for many years, and made possible by the whole-hearted co-operation of all departments of the school.

In bidding our seniors farewell and wishing them success in their chosen fields, we wish to remind them that knowledge is attained by degrees. Wisdom dwells with contemplation. There she must be sought by us, even keeping in mind the correct knowledge of our service to God, our neighbor, and ourselves.

TIME MARCHES ON!

We should like to commemorate our Founders, and their ideals. Theirs was a type of practical idealism that has helped us to perform practical service, and we hold firm the hope that we shall reach their ideals of service in promoting the well being of every child in our community. It is well for us to pause from time to time and take inventory of just how well we are filling our places. We are parents and teachers who sincerely hope we may never be found lagging in our responsibilities. It is the earnest desire of the parents to be of worthy assistance to the entire student body, to co-operate to the fullest extent with our principal and faculty, and to co-ordinate our work with that of the Dads' Club.

The officers of the Parent-Teacher Organization for this year have faithfully tried to uphold the traditions of our pioneers, and to ever be of service—service unselfishly rendered.

JANUARY CLASS OF 1941

It seems odd, when we think of it, that it was so hard for us to find our classes and to regulate ourselves to the school when we came here three months ago. Now that we have caught the step, we have entered into the school spirit, and we hope to be real supporters of the school in all its activities. We must and will carry on the traditions of the W. H. Adamson High School to the best of our ability.

DEBATE CLUB

A Debate Club, composed of 14 charter members, was organized at Adamson High School at the beginning of the 1936-37 fall term. Membership is open to anyone interested in the study of debate or parliamentary law. Practice debates were held with members of the North Dallas Debate Club, and also two teams, composed of Anne Beth Moore, Merle Armstrong, Jack Williams, and Russell Mason, were entered in the National Forensic League Contest held at North Dallas High School on February twenty-seventh.

PEN PAL CLUB

Purpose—The Pen Pal Club is composed of students interested in creative writing of any type. One of their distinctive features is that each member volunteers at some meeting to be one of three to bring a contribution to the next. Thus the element of surprise is always maintained. Each contribution is commented on by the members, first as to its good points and then as to ways of improvement.

PAN-AMERICAN STUDENT FORUM

The Pan-American Student Forum is a national organization of advanced students of Spanish. Its aim is to encourage friendly relations between the United States and Latin-American nations. The long waiting list of the Adamson unit of the Forum testifies to the activity of the club.

In June, 1937, delegates from the forty-four chapters scattered over the United States assemble in Dallas for a national convention.

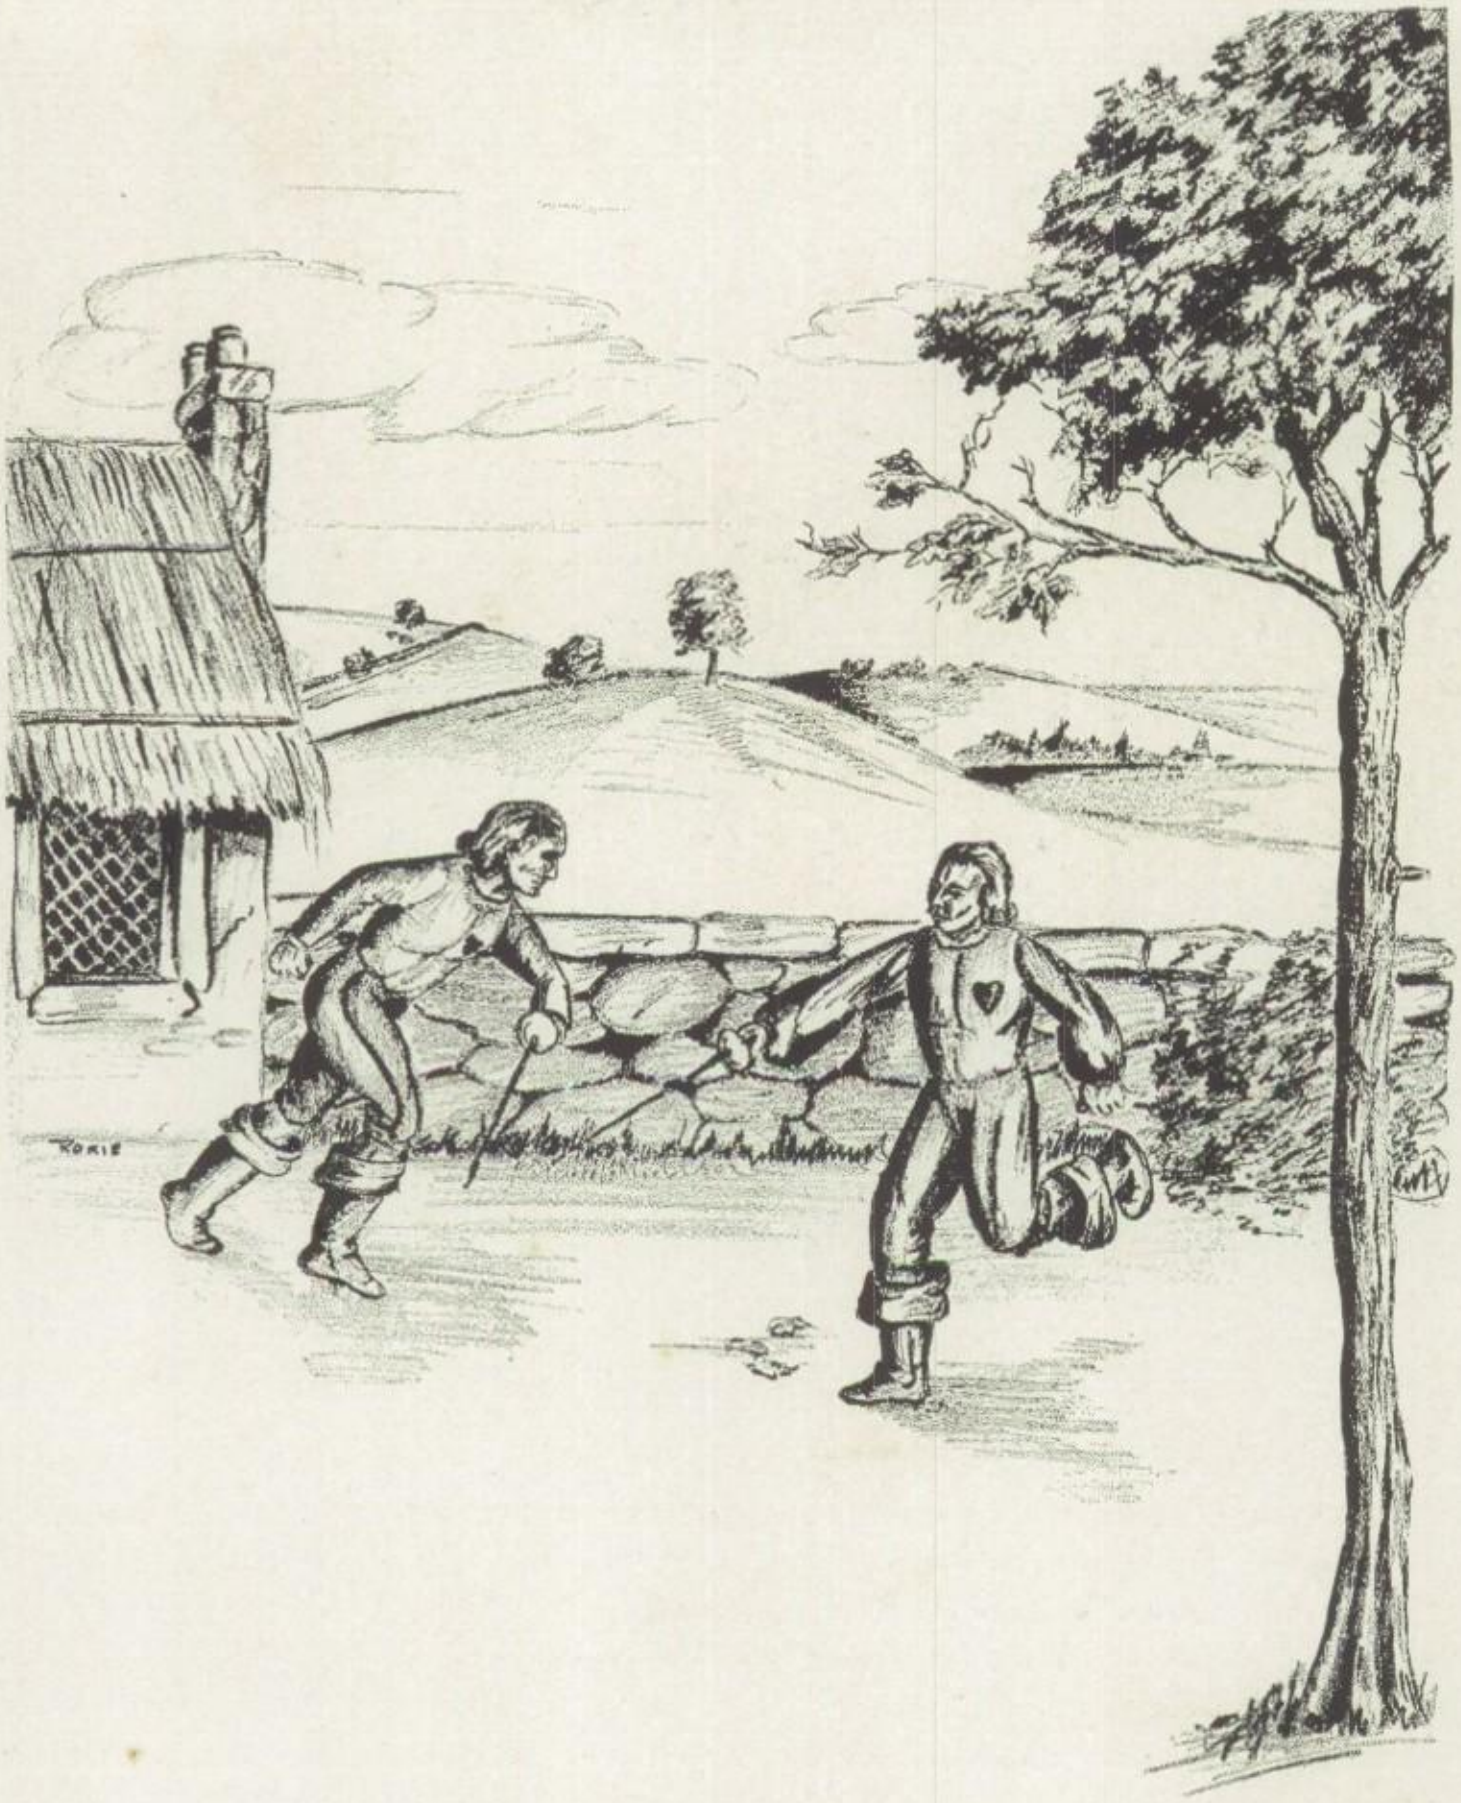
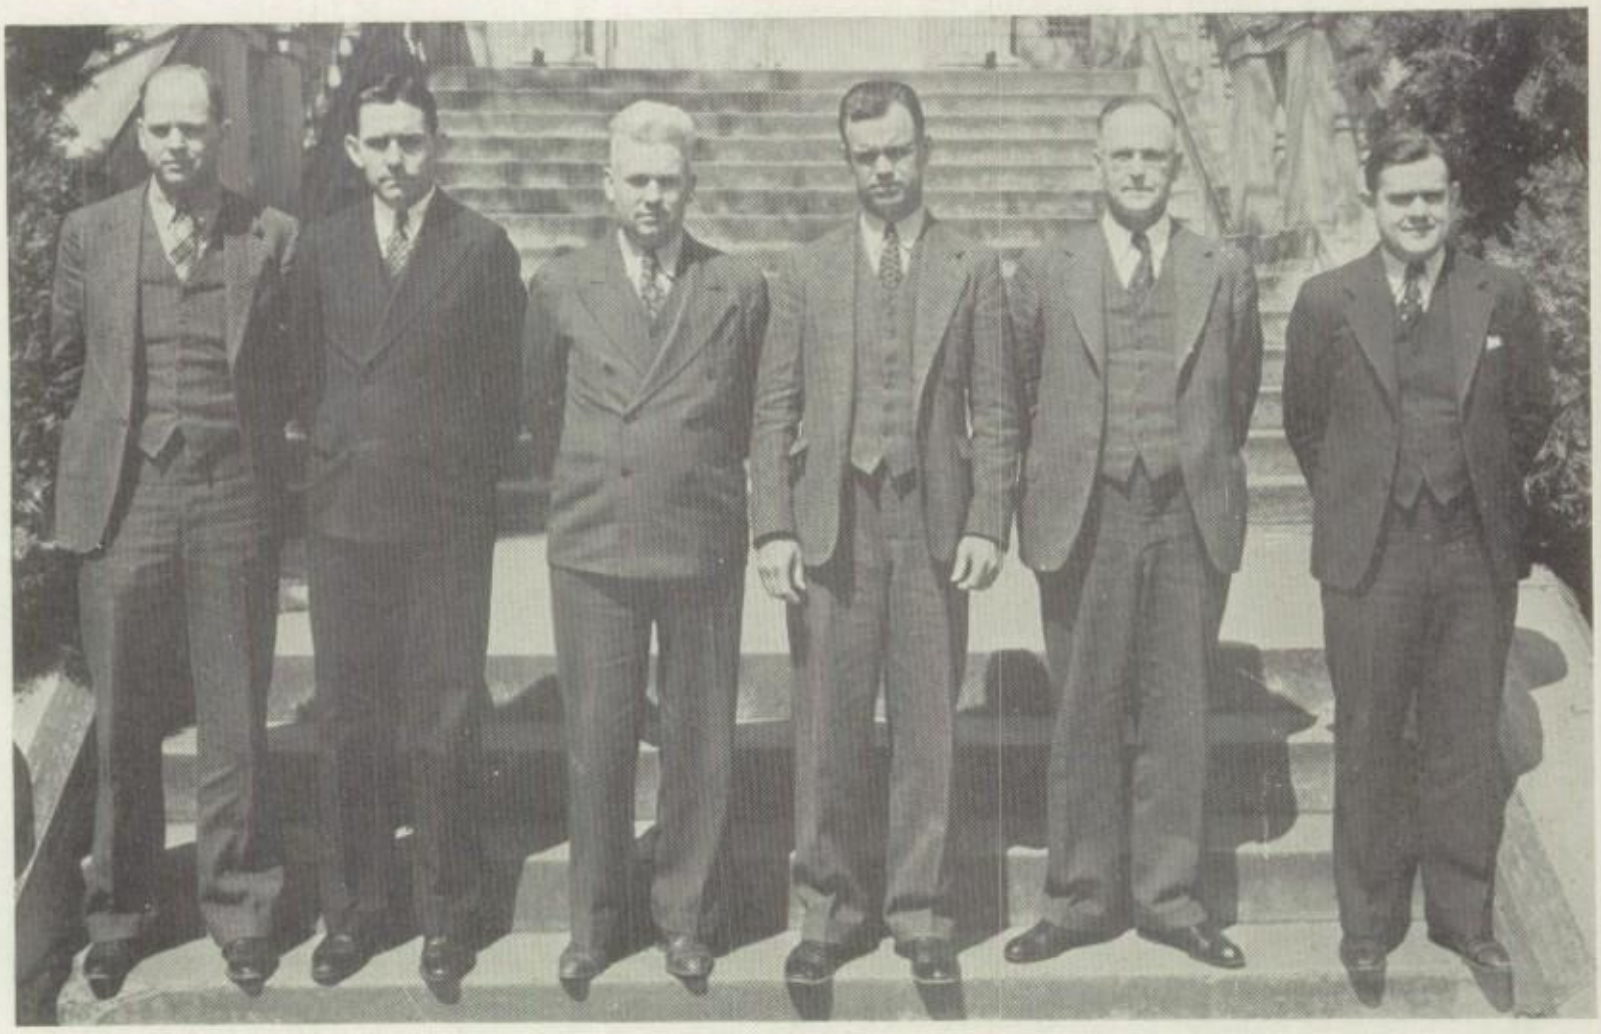
RIFLE TEAM

Living up to tradition, the rifle team displayed its merit first by placing third in the city match. Later matched against schools from five surrounding states, the team showed much improvement by placing third in the Corps Area Match, with a score of 1952 out of a possible 2000, the second highest score ever fired in the city of Dallas, the highest having been fired by Adamson in 1934. Not satisfied with this victory, the team won the Shoulder-to-Shoulder Match, shattering records in practice, and tying the record in the finals.

To top the year's success, the team won a second place in the National R. O. T. C. Rifle Match, sponsored by William R. Hearst.



Athletics



ATHLETIC COACHES

The fans that follow the various athletic contests are apt to overlook the hard and patient work of the coaches behind the teams. No team is stronger than its coach, though many coaches are stronger than their teams. The W. H. Adamson High School feels that it is justly proud of its strong corps of athletic coaches.

The coaches are, from left to right: Mr. R. B. Harris, football; Mr. Virgil Ballard, football, Mr. L. C. Leftwich, golf; Mr. W. E. "Pop" Noah, football; Mr. R. N. Smith, tennis; and Mr. W. P. Durrett, football, basketball, and baseball.

W. E. "Pop" Noah

W. E. "Pop" Noah

"Pop" Noah, will always be remembered by Adamson players, because he was more than just the football coach to his boys. "Pop" was a personal friend to everyone on the squad and no favor was asked of him that he did not grant if possible. "Pop" helped his players with everything from sprained ankles to Algebra, and was more than liked by everyone under his supervision. As a coach Mr. Noah has no peer and his work at Adamson will not be forgotten.

W. P. Durrett

Virgil Ballard

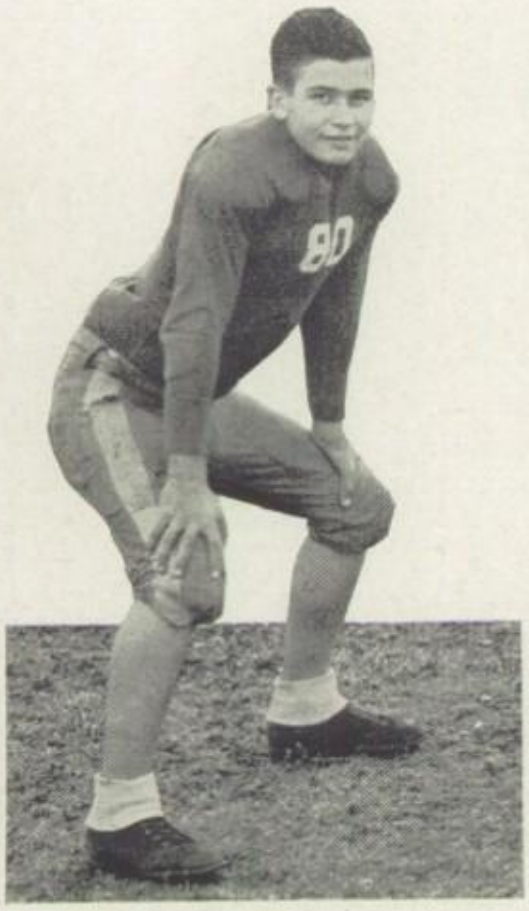
Coaching his second year at Adamson, Mr. Ballard went about his work in his quiet but very efficient manner that always got results. Mr. Ballard's assistance was invaluable to Mr. Noah, as well as being instrumental in developing the squad of '36 into a fine team. As a man, Mr. Ballard is one who commanded the complete respect of his players, and was well liked throughout the school.

Virgil Ballard

W. P. Durrett

"Bill", the line coach of the blue and white, working with the theory that line play is 50% fight and scrap, spent the greater part of his time teaching his boys the gentle art of "give and take." Mr. Durrett accomplished his objective, as the Adamson forward wall was noted for being the hardest fighting line in the city.

ADAMSON'S FOOTBALL SQUADS



Howard Nelson

Captain Howard Nelson was the stellar right end of the Leopards. It was a very pleasing sight when Howard leaped high into the air and snagged a pass. He could block and tackle as the best of them. By virtue of this, Howard was reelected on the mythical All-City team. This was his last year to play.

Football Queen

Sustaining its reputation for originality and leadership in school activities, Adamson High created this year a new position of honor, that of Football Queen. Gladys Johnson was the proud recipient of this regal distinction this year. She was crowned in a beautiful and impressive ceremony during the half at the Adamson vs. North Dallas Game on the night of Friday, October 9, in the Cotton Bowl at the Centennial Grounds. She was attended by four Maids of Honor, Jeanne Cates, Mildred Singleton, Elizabeth Cameron, and Mary Ellen Murrell.

Elmer "Red" Durrett

Elmer was one of the steadiest players on the team, and always turned in a sterling game. Red is the type of man who makes a good center, and he certainly did everything that was expected of him, and then some. He has a fine spirit and will be a sure bid for All-City next year.

Glenn "Slew-Foot" Scherer

Glenn ended his athletic career at Adamson this year. He was a stellar linesman and held the position of center, one of the most important positions on the team, in a manner that would be creditable to anyone. He was an excellent blocker and had the traditional "Oak Cliff" spirit.

Pete Layden "B. T."

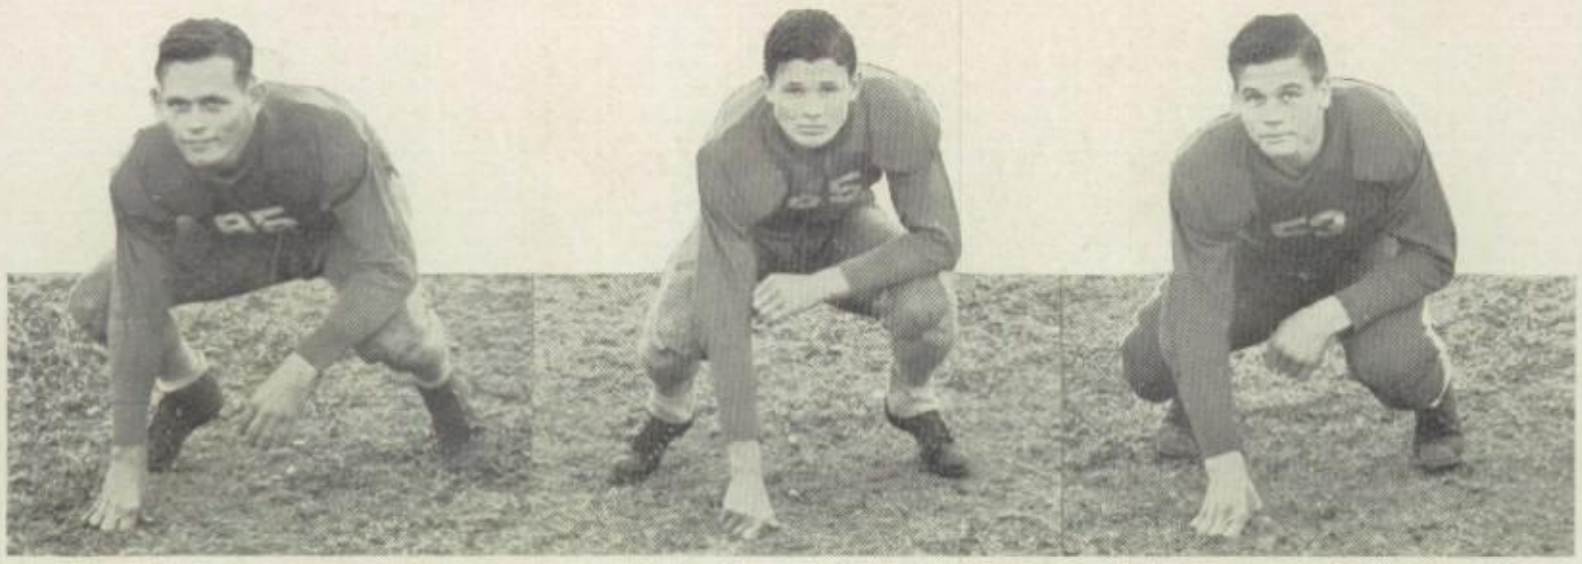
Pete Layden was shifted from end to backfield late in the season, but he quickly stamped himself as one of the best backs in the city. His superior punting and passing was praised by everyone. He was selected to play in the All-Star game. This was Layden's second and last year to play for the Leopards.

W. A. "Bussey" Strickland

W. A. will always be remembered for his dependability and his great fighting spirit. Bussey has lettered at a guard position for the last two years and at tackle this year. He was one of the best tackles in the city this year, and his position will be hard to fill next year.

James "Moose-Nose" Christe

James, the largest man on the team, used his weight to a good advantage in stopping the opponents' backs. Moose-Nose, playing his third year, showed vast improvement over last year, and always had that fighting determination to win. His tackle position will be hard to fill, and he will be missed a lot by the rest of the boys.



P. H. "Pete" Dunham

P. H. "Pete" Dunham was Adamson's left guard. He weighed around 160 pounds and was 5 ft. 8. in. tall. He was very fast in pulling out of the line and was a deadly tackle. He was unexcelled in blocking the fullback. Pete was selected to play in the All-Star game. This was Dunham's second and last year to play.

James Oakes

James did remarkably well as end, in spite of his lack of experience. Besides snagging passes, he was a fine blocker and hard tackler. This is James' first year, and he will captain the Leopards next year along with Patterson and Gandy.

Boyce "Husky" Nall

Big Boyce Nall substituted at guard position. Boyce is low in stature and weighs 180 lbs. He earned his letter by performance in the Sunset game. He blocked two punts which led to touchdowns for the Leopards. By virtue of this, Bill Bushman selected him on his All-Star team. This was Nall's first and last year for the Leopards.

Ray Niblo

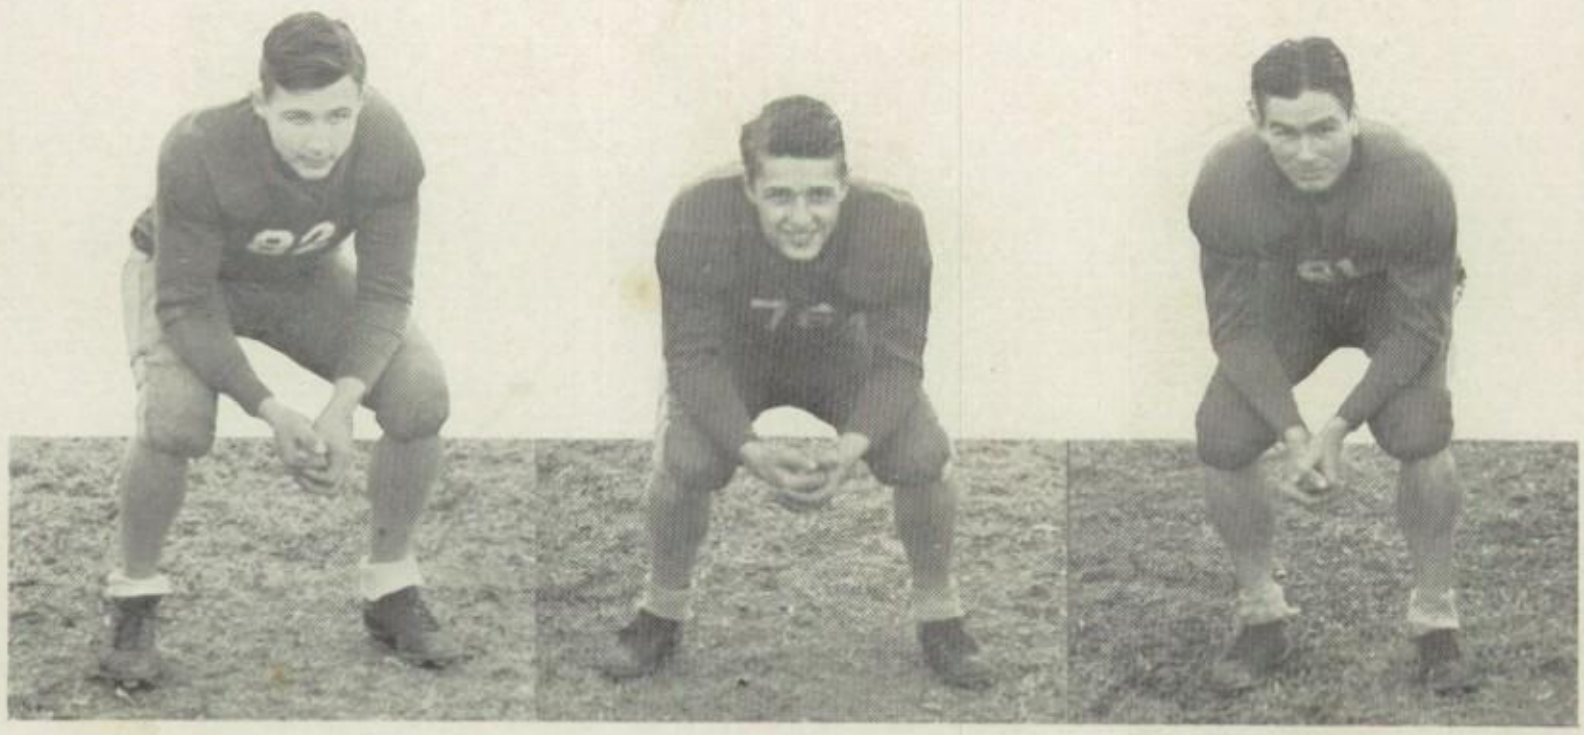
Ray will be remembered not only by his team mates, but by most of the boys he has played against, because of his plendid blocking and tackling. Ray played halfback in great style, and he was one of the hardest tackling players in the city. Ray will be back next year and should be a sure bid for All-City honors.

Norman "Duke" Watson

Norman was a one year man, a serious worker and very dependable. Duke was a good player on the offense as well as on the defense. He graduates this year.

Randall "Star" Ryan

Randall, commonly called "Star", was the speediest back on the squad this year because of his track experience. Randall was handicapped because of his light weight, but nevertheless he made numerous long spectacular runs. His services will be greatly missed next year.



George "Pat" Patterson

Patterson was the lightest and the speediest back on the team. In broken field running, he was unexcelled. His ability to side step and elude opposing players was uncanny. This was "Pat's" first year to play as a regular. He will be back next year to tri-captain the team and much is expected of him.

Amos "Mussolini" Cendali

Amos "Mussolini" Cendali didn't weigh over a hundred and forty pounds, but he did the work of a two hundred pounder. He was the most versatile player on the team, having played end, backfield, and finally guard. Cendali was also selected to play in the All-Star game. Mussolini played his second and last year for the Blue and White.

Alvin "Ju-Ju" Sterling

Alvin "Ju-Ju" Sterling was Adamson's blocking back. Although being very light, he made up for it in fight and determination. He carried out his assignments with a smile. His work on a defense was above reproach. As a tackle, few equalled him. This was Ju-Ju's second and last year to play.

Woodrow Billings

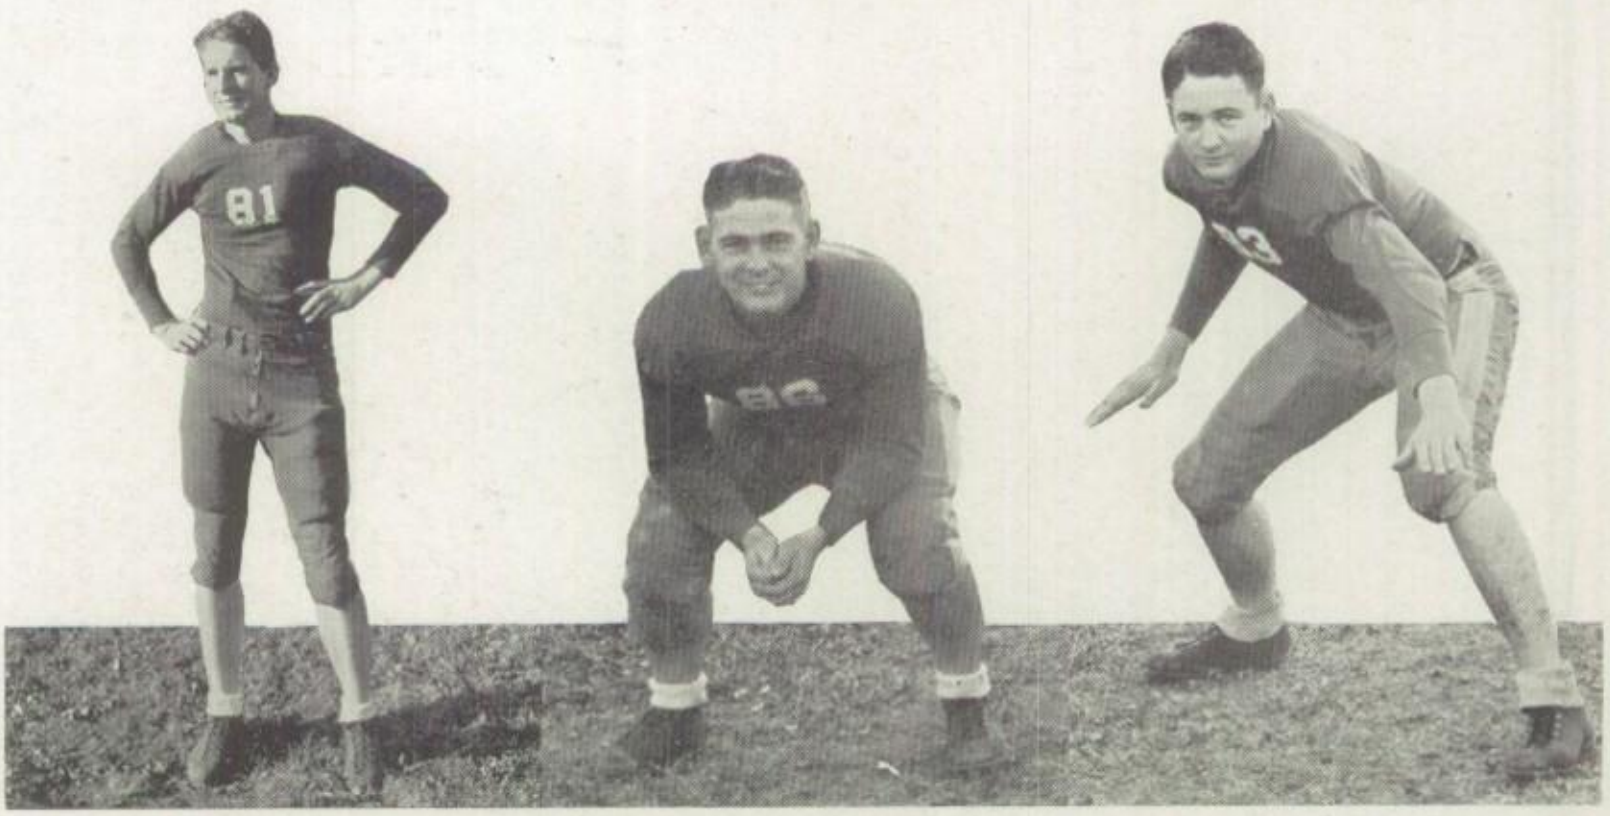
Woodrow Billings substituted at tackle position. Woodrow was handicapped all season with a bum knee. He wore it taped practically the whole season. Woodrow was large and heavy and would have been one of the best tackles in the city had it not been for his knee. Billings came to Adamson from Smiley, Texas, and has played his last game for Adamson.

Jack "Bubble" Willis

Jack was one of our best backs this year, playing fullback. He played a great brand of football and was always hard to stop. Bubble has lettered three years at Adamson and has made the All-City team the last two years. He was voted the second most valuable player of the city this year and was awarded the trophy for being the most valuable player for the Leopards.

Rex "Mahatma" Gandy

Rex Gandy, better known as "Mahatma", played tackle. Altogether being inexperienced, he held down his position like a veteran. His ability to get through the line was uncanny. He showed his worth by playing every quarter except one. This was Mahatma's first year to play, and he will return next year to tri-captain the team.



W. P. "Bill" Durrett

With "hustle" as the by-word Coach W. P. Durrett started the season with three lettermen and worlds of determination. From this Mr. Durrett developed a team that remained in the city championship fight until their final game. He, a true hustler himself, will always be remembered for his ability to transfer his own boundless energy to his basketball boys. Coach Durrett continued his amazing work in creating and increasing an interest in basketball in Adamson that is unparalleled in the Southwest.

BASKETBALL SQUAD

Basketball Queen

Charming Jackie Dickie was chosen to reign over the Leopard cagers as she was elected Queen of Basketball for 1937. The Queen was crowned at the coronation ceremony between the halves of the Sunset game, and presided over all the Adamson games for the remainder of the season.

James "Fifa" Ross

Every football team has to have a manager. The Leopards were managed by James Ross. Whenever a player needed equipment or assistance, Ross was there to lend a helping hand. He worked along by the side of the players all season and always gave his best to make the team a winner.

Charles "Charlie Warlie" Moore

Charles is the kind of manager that any coach is glad to have. He does his work cheerfully and gives lots of encouragement to the players. Since Charlie was mascot of the Leopards two years before, he became manager four years ago, and he has been with the team six years. Luckily, Charlie is planning to take a post graduate course after he graduates in June, so he will be manager again next year.

GEORGE PATTERSON

"Pat" was the hardest worker on the team, and developed himself until he could shoot equally well with either hand. "Pat" was the best ball handler on the team, besides being a good shot maker. George returns until mid term next season.

JOE WEAVER

Big Joe is the boy who filled the vacant guard post left by Willis at midterm. Joe exceeded all expectations and came through with flying colors, as he developed into one of the most consistent point makers on the team.

G. W. CHANDLER

Chandler was the fastest man on the squad, and seemed to be everywhere on the floor at once. G. W. was unusually adept getting in the open, and the opposition were hard pressed to find someone that could keep up with him.

ROBERT HUNTER

Robert well kept up the pace set for him by his brother Clifton on the '36 team. Robert used his 6' 2" to great advantage and his "under the goal" work became invaluable to the Leopards. Hunter will be back till mid term next year.

JACK WILLIS—*Not in Pictures*—Jack, closed a brilliant high school athletic career as he performed his last time in the Blue and White on the basketball floor. Willis' defensive ability was greatly missed when he graduated at mid-term. This was his third year to letter.

JAMES CHRISTE

Christe, with his 6' 5" and remarkable work in getting rebounds kept the Leopards in many a ball game. "Moose-nose" controlled the tip off in every game, and was unanimously chosen for the center post on the "All City" team.

NORMAN "DUKE" WATSON

Captain Watson playing his second year with the Leopards showed plenty of ability to hit the basket. His leadership was without a doubt one of the contributing factors in the success of the team.

FURNON DARBY

Furnon, another six-footer, although not a starter this season, is slated for a first string position next year and should develop into one of the main stays of the team. This was Darby's first year to letter.

DOUGLAS BROWN

The "Deacon" was the most improved player in the city and finished the season playing a brand of basketball that won him his letter. "Deacon" will return next year and will captain the quintet of '38.

BASEBALL

Repeating their performance of 1936, the Leopard baseball team came through a hard regular schedule and a championship playoff series to win their second city baseball championship in a row.

The Leopards, coached by W. P. Durrett, led by Captain G. W. Chandler, and with a "never say die spirit," made the grade when the situation looked the darkest.

The 1937 team was the hardest fighting and hardest hitting club to represent Adamson in many years.

The moundstaff was composed of the three ace pitchers in the city, Lou "Lefty" Goldman, Woodrow "Chuck" Hunt, and J. E. Averea.

Ray Niblo, catcher; Doug Rawlins, first base; George Phillips, second base; Captain G. W. Chandler, short stop; and George Patterson, third base; hustlers to the last man, made up an infield that could not be beaten.

The big bats of Elmer Durrett, Pete Layden, and W. L. Patrick, outfielders, played a prominent part in bringing the city championship to Adamson.

As the *Oak* goes to press the Leopards are favored in the State playoff.

TENNIS TEAM

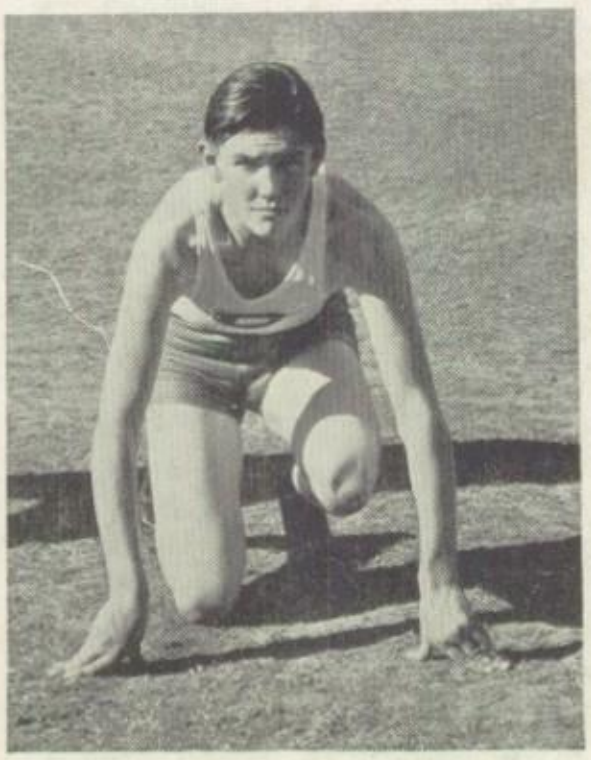
GOLF TEAM

TRACK TEAM

When Coach Winton E. "Pop" Noah sent out the call for tracksters, three lettermen and some seventy-five new recruits reported, the largest track squad in Dallas and in the history of the school. The Leopards placed third in the city meet, but won every freshman-sophomore meet held; so much is expected of the teams of '38-'39. Jack Linehan, junior, and Jimmy Wise, senior, were the pace setters of the team. Linehan won the 880 yard run in the city and district meets and Wise broke the district record in the broad jump with a lead of 22 feet 3 inches.

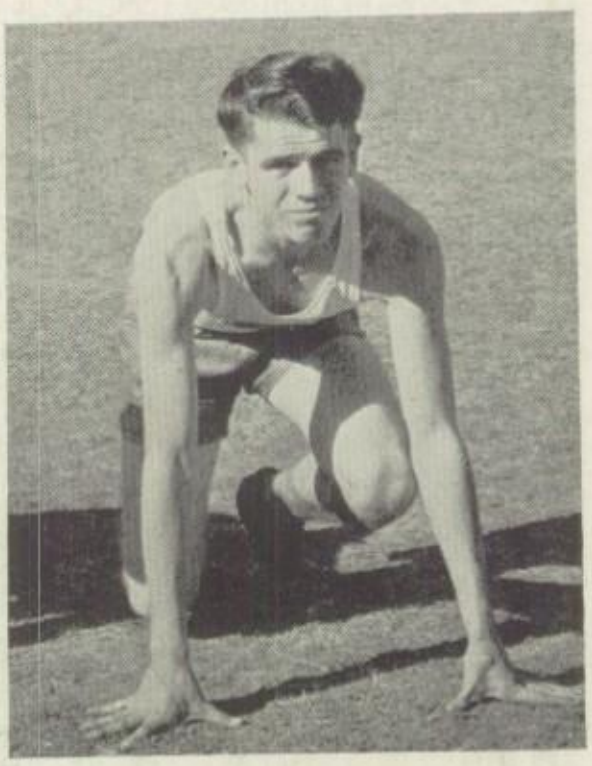
Floyd Terry

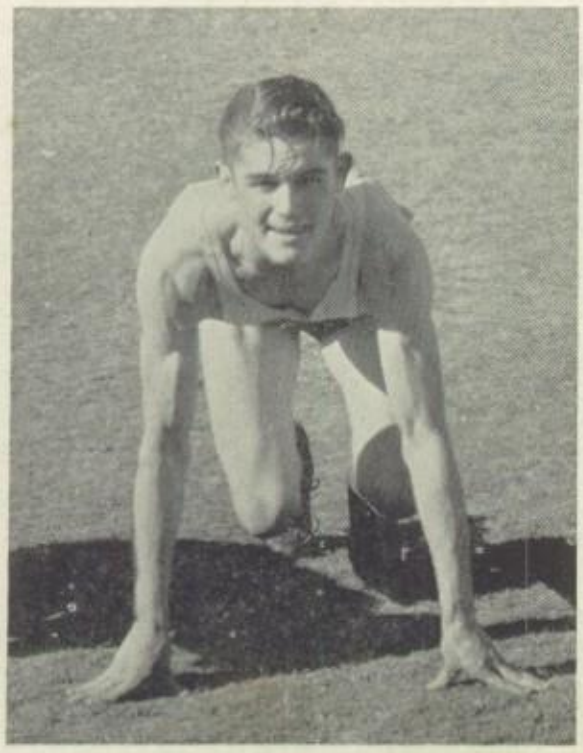
"Play boy" Terry is Adamson's crack miler and showed he could do what he wanted to when he won second in the mile. Terry showed determination to stay in there when the going got rough. This is his first year to letter, and he has one more year.



Jack Linehan

This is Jack's second year to letter in track by winning first place in the 880 yard run in the city and district meets. He is one of the easiest running boys on the team. He has another year left and should win the state.



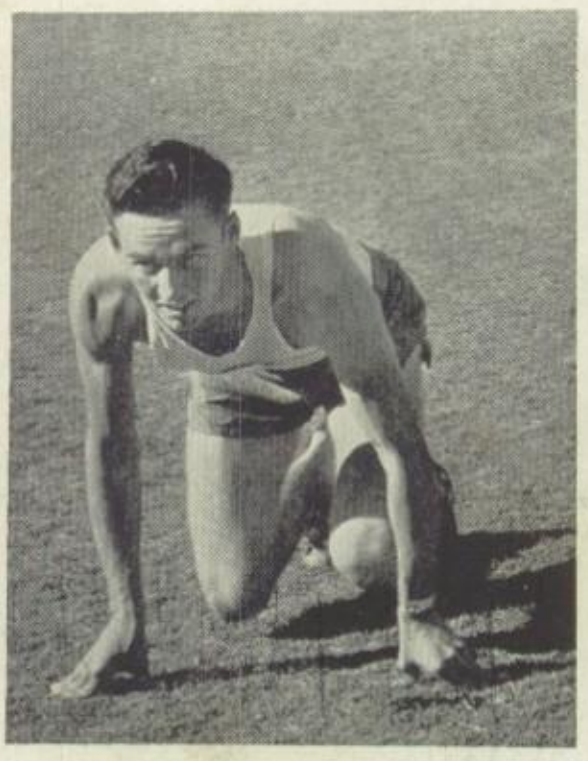


Jimmy Wise

Hard luck hit Jimmy when he broke his ankle last year and it hit him again in the city meet when he fouled four times in the broad jump but he came back to win the district meet and set a new record. This is his last year and he will be hard to replace.

Al Boatman

Al was our sophomore star. He should prove to be a record breaker with more practice and experience. This is his first year to letter, and he has two more years. He will be a hard man to beat next year.

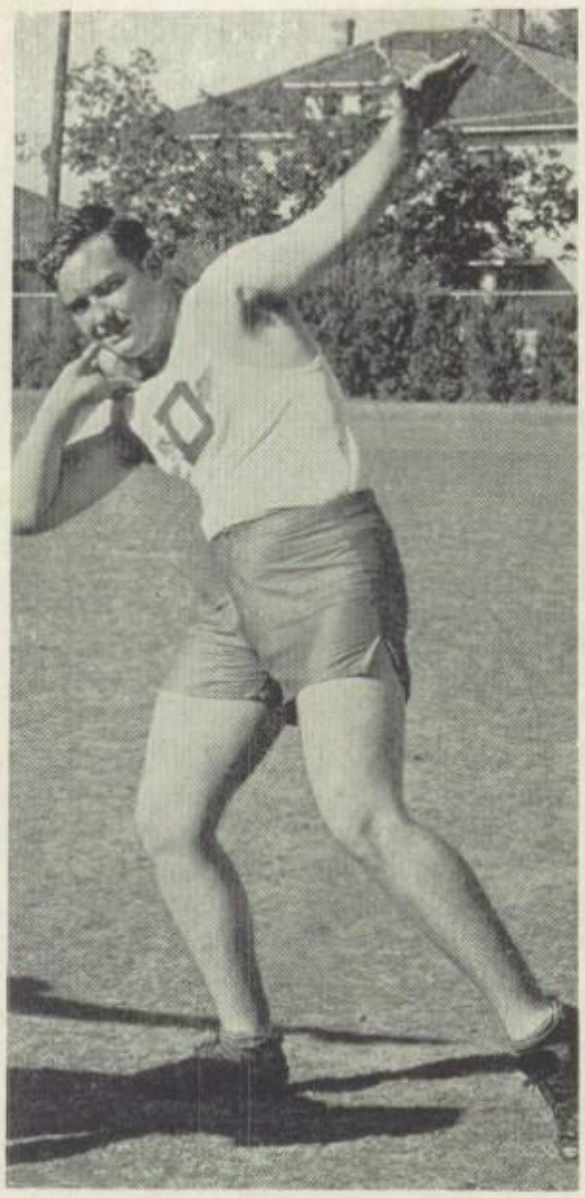


Thomas Quillen

Thomas Quillen, a hard worker and good trainer, has been out for track four years. He is just another example of perseverance and the "Never Say Die" spirit. He made a letter in track his senior year by winning third place in the city meet in the 220 yard low hurdles.

Robert Brundidge

Robert is the little big man who handles the weights with an unusual ability. He was one of the most determined and hardest training boys on the team.



OUR CHEER LEADERS

Through an unfavorable season, "Red" Mosely, head cheer leader, with his five assistants, Sybil Roan, Lucas Giarraputo, Evelyn Honeycutt, Armond Kean, and Dorothy Dickinson, held the student body together, and at all times kept the fighting spirit predominant.

The entire group deserves much credit for its efficient and untiring services. The school should give this leather-lunged sextette much praise to show its appreciation.

"Red" Mosely and Sybil Roan proved themselves efficient leaders, and they will take a position with equal merit among the ranks of the past Leopard cheer leaders.

Humor

JOKES

Mr. Leftwich drove up to his garage, looked inside, and blinked. Then he leaped back into the car and drove to the police station.

"Sergeant," he gasped, "my garage is empty. My car's been stolen."

* * *

Pat Brower—"Girls don't interest me. I think we men get along better by ourselves."

D. C. Nolan—"Shake. I'm broke, too."

* * *

Humor is the eudemonological pessimism which includes within itself a teleological evolutionary optimism, which may cause a realistic, radical, and universal reconciliation to appear as possible.

* * *

Mary Ann Utley (in music shop)—"I want a ukele string."

Salesman—"Wanna steel one?"

Mary Ann—"Oh, no. I'll buy it."

* * *

Mrs. Horn — "What was Columbus' motto?"

Ruth Pollock—"More miles on the galleon."

* * *

Tramp—"Pardon me, gentle sir, but have you glimpsed an officer of the law about?"

Chester McKay—"No, my friend."

Tramp—"Then gimme yer wallet."

* * *

Miss Cooper—"What happened in 1483?"

Mary Jo Moore—"Luther was born."

Miss Cooper—"Quite right. And what happened in 1487?"

Mary Jo (after a long pause)—"Luther was four years old."

* * *

Ed. B. Rowe—"Doctor's here, sir."

Captain Mann—"I can't see him. Tell him I'm sick."

* * *

Chad Sneed—"Where is the sponge I asked you to buy at the store?"

Margaret Wiskochil—"I couldn't find a good one. They all had holes in them."

* * *

Coach—"You're great. The way you hammer the line, dodge, tackle your man, or worm through your opponents is marvelous."

Ray Niblo—"I guess it all comes from my early training, sir. You see, my mother used to take me shopping with her on bargain days."

* * *

Garage man—"Check your tires, madam?"

Nancy Peebles—"No, no; I'll take them along.

* * *

Roy Thrash—"How do you get down from an elephant?"

Frances Darnell—"You don't. Down grows on geese."

* * *

Andrew Jensen—"Let's eat here."

Gladys Johnson—"No, let's eat up the street."

Andrew—"No, I haven't a concrete stomach."

* * *

Clinton Hamilton—"What time do you expect me over?"

Katherine Hord (coldly)—"I'm not expecting you at all."

Clinton—"Then I'll surprise you."

* * *

Evelyn Honeycutt—"What model is your car?"

"Duke" Watson—"It's not a model; it's a horrible example."

* * *

Jim Brower—"Say something soft and sweet to me, dear."

Sybil Roan—"Custard Pie."

* * *

Hotel Clerk—"Have you got a reservation?"

Reba Heiskell—"What do you think I am, a squaw?"

* * *

James Christe—"Guess my pen will have to go on itching."

Joe Weaver—"Why?"

James—"I'm out of scratch paper."

* * *

Bill Miller—

"Thirty days have September
April, June, and Kentucky,
All the rest have 31
Except Dallas, and it
Had the Centennial."

* * *

Charles Shackelford—

"I hate my woolen underwear
It makes me fairly boil
It itches here, it itches there
But when I scratch me anywhere,
That ain't the place at all."

Genesis—A surgeon, an architect, and a politician were arguing as to whose profession was the oldest.

Said the surgeon: "Eve was made from Adam's rib, and that surely was a surgical operation."

"Maybe," said the architect, "but prior to that, order was created out of chaos, and that was an architectural job."

"But," interrupted the politician, "somebody created the chaos first!"—*Montreal Star.*
